1951 th	Dick Tracy Art	350	ORIGINAL, one-of-a-kind piece of artwork from longtime Marx artist Roy Ahlgren. This particular piece of artwork was for a 60's Dick Tracy bagatelle game or pinball toy. I am not sure if it was ever produced or a prototype. It is loosely based on the Ralph Byrd likeness of Dick Tracy, this art consists of the pencil sketch as well as a full color test print of the art. If you are a Dick Tracy fan, this is a must for your collection. The art can be rolled and boxed for safer shipping vs the frame it is currently displayed in. The artwork is what was used for either a production item or concept prototype test sample. They are Mr. Algren's pencil drawing, done on a heavy vellum tracing paper - (26"x14"), and the final printed version - (26"x14") that was actually full color press printed, perhaps pre-production. Click pictures below or picture to the top left. People who collect Marx playsets, Dick Tracy toy guns, cap guns, or memorabilia you will want this item. It is cool to see art design from artist concept through finished product. If you collect rare Marx prototypes, archives, Marx toys, g
1952 th	Man From UNCLE Art	225	ORIGINAL, one-of-a-kind piece of artwork from longtime Marx artist Roy Ahlgren. This particular piece is called "Secret Code Wheel, The Man from U.N.C.L.E. dated 1966, Metro-Goldwyn-Mayer INC. The picture shows them on what looks like a Bagatelle or Pinball back-drop. The artwork is what was used for either a production item or prototype sample. They are Mr. Algren's pencil drawing, done on a heavy vellum tracing paper, and the final printed version that was actually used in color for press plate work or sent for approval in pre-production. Also included is a nice heavy duty frame and Matte frame! This thing is huge, ~28" x 34" Please note The Glass may not be included. It will be very heavy and hard to ship. It is highly likely to get cracked or broken in shipping. Based on location, the buyer can decide if they want to take that risk. 2182 th	Big Jim Motorized Buggy NO. 4346!	Call	W/ Box! That's right an original Mattel Big Jim Dune Devil (Dune Buggy) motorized vehicle! Works Great! The Box is poor, has had moisture damage, C6, the toy itself has some play wear, C8 overall. See Pictures of both items. The car is cool, and has a realistic on/off Stick shift to move forward! Dated 1972. This is a nice Vintage item for your big Jim collection that is pretty hard to find boxed.
2183 th	Johnny Tremain 6 " playset Figure with horse and tack!	Call	The set comes loose from a factory sample lot I picked up. The story is told that it originated from a lot of Marx test production samples that were stored for several years. Eventually these ended up in the basement of a toy store where they eventually were sold at toy shows. The horse is in two halves and has no paint. The figure was never used. The tack is also mint. I'm not sure how complete the set is, see pictures. I have never had one of these sets. I will update as I get more information. If you collect Johnny Tremain items, this is for you!
